Foreword

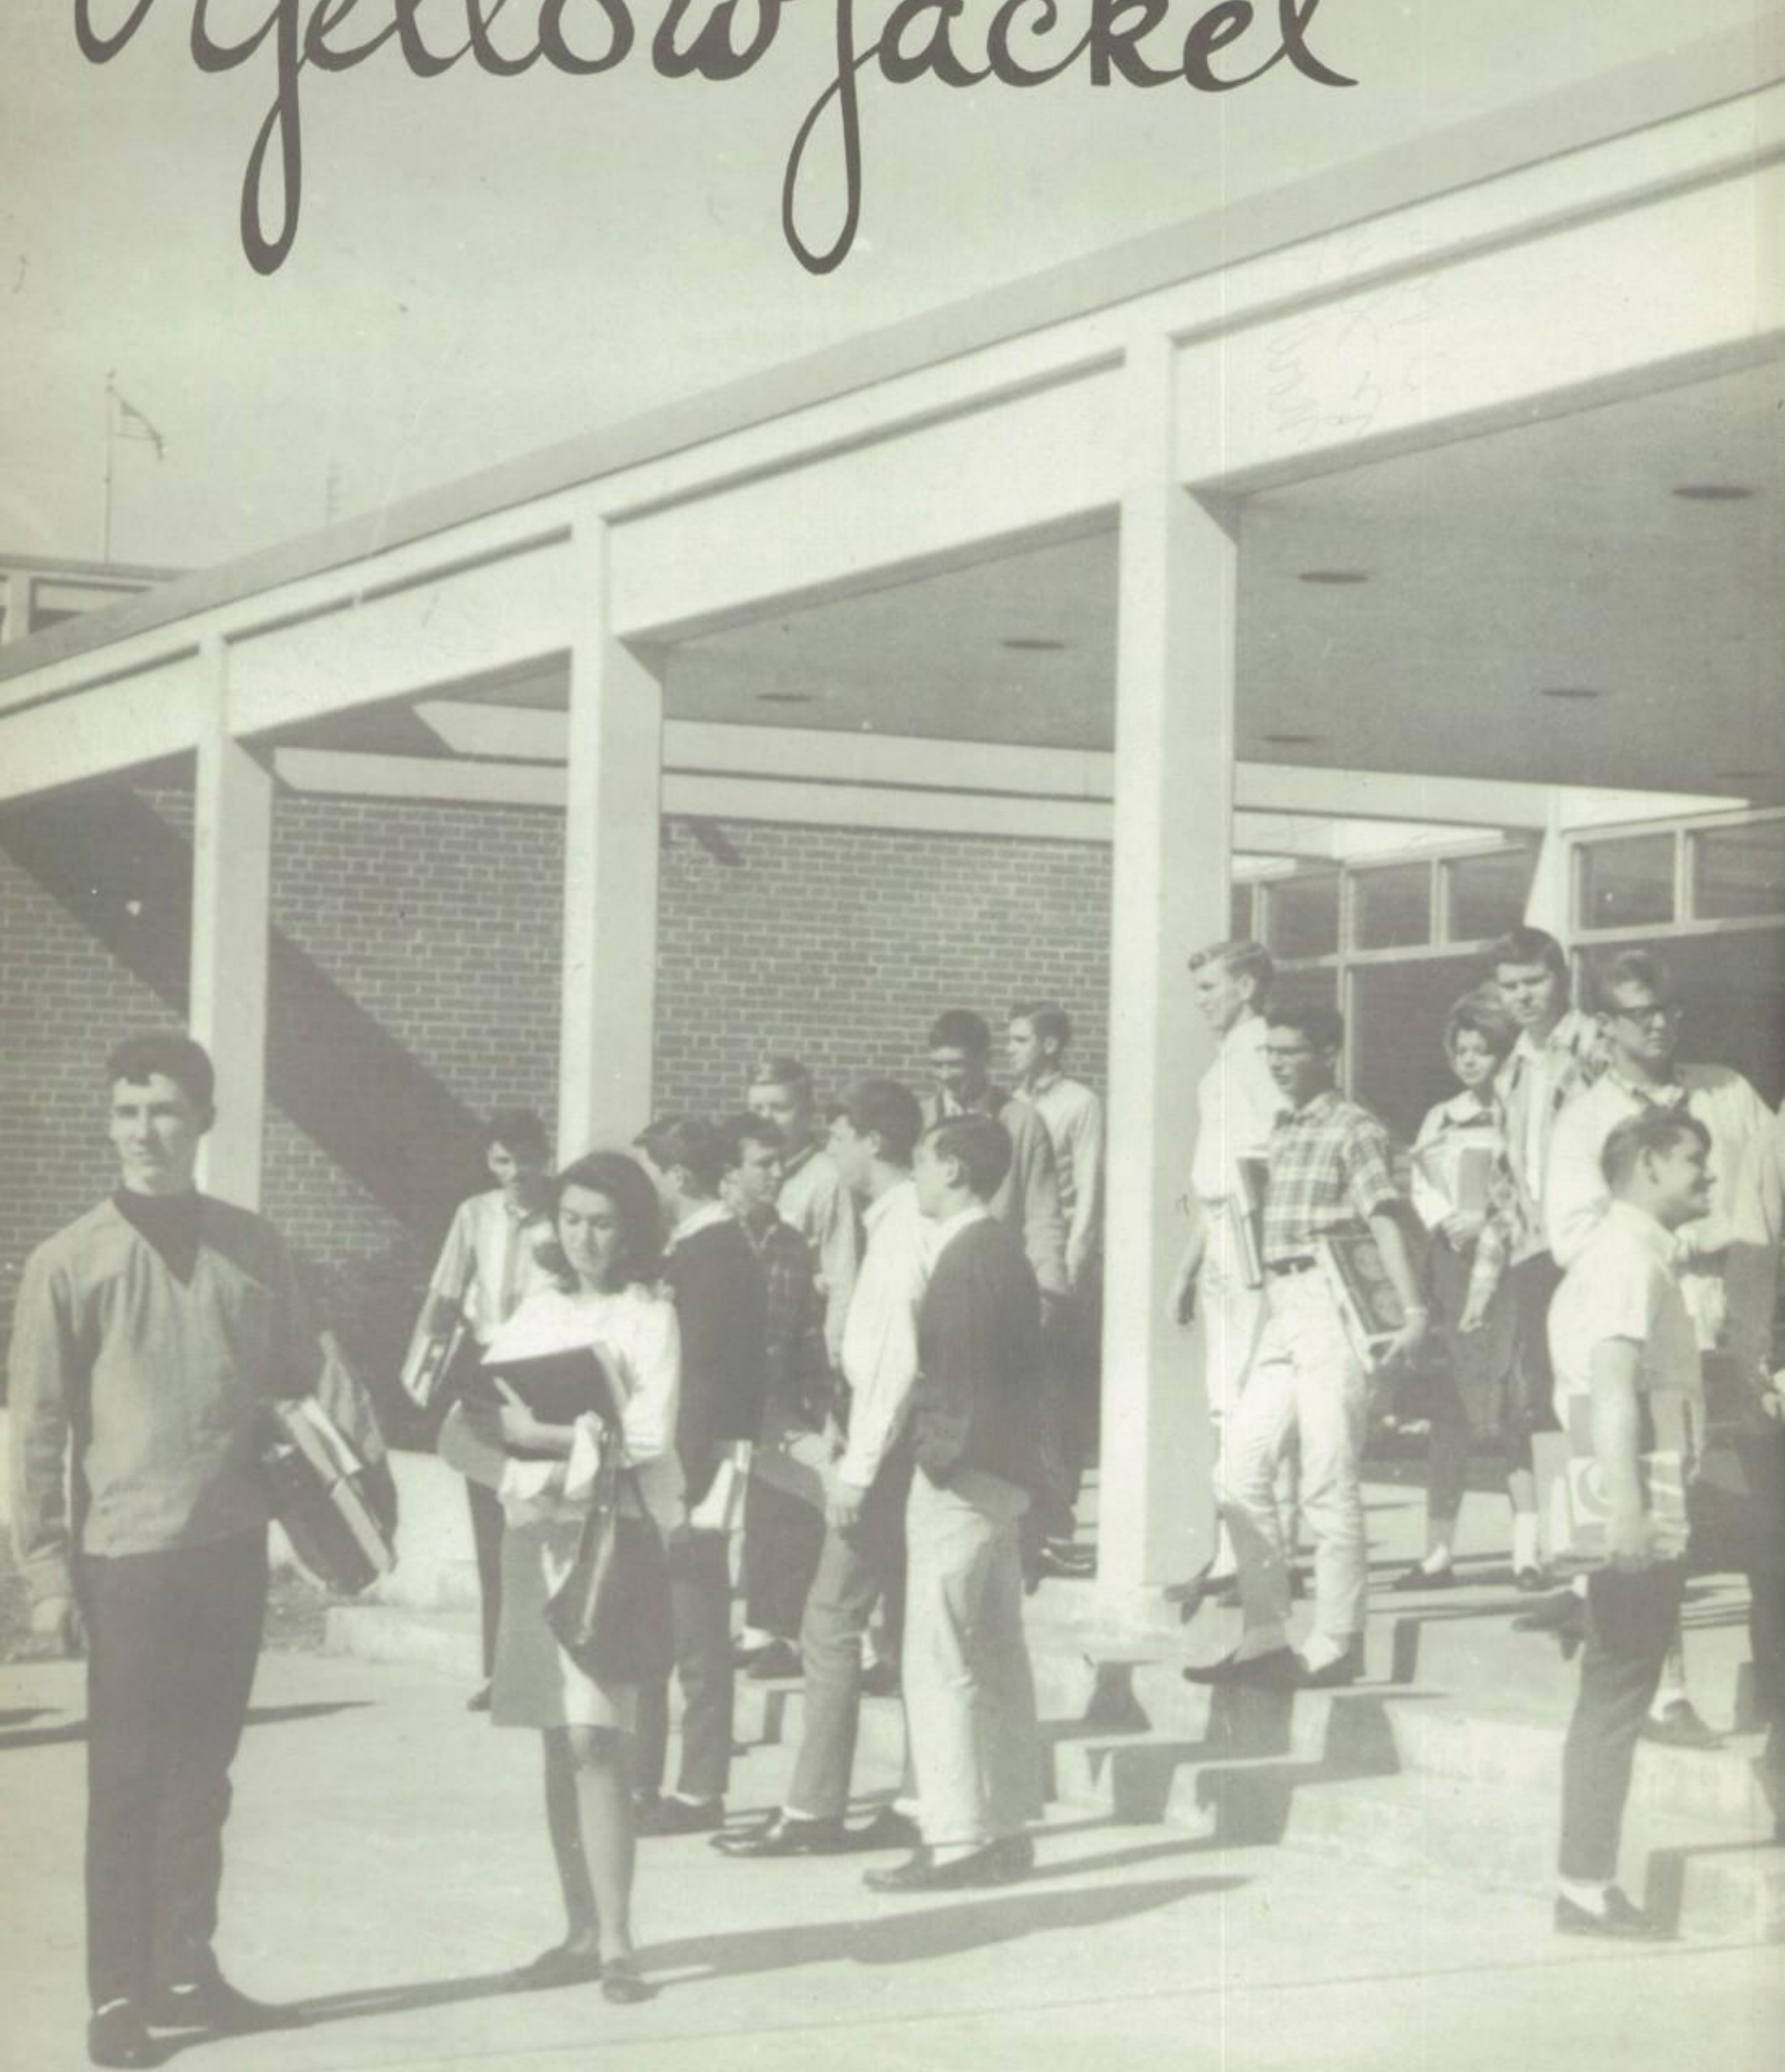

Early in the history of our school, Center's student body chose the Yellow Jacket for their symbol. They chose the Yellow Jacket because he is a proud and fearless creature with a potent sting.

This Yellow Jacket has so inspired our activities that Center Senior High School is noted everywhere for its winning athletic teams, its high scholastic achievement, its perennial one ratings in band and music, and its consistent excellence in debate and dramatics.

What more appropriate than that the Yellow Jacket emblem should be the symbol to represent the "achievement" theme of our yearbook for 1964-1965, when—to mention only some highlights of this great year—Center placed second in the Kansas City area in football, placed second in the state in basketball, and captured a state debate championship!

Dedication

The yearbook staff is honored to dedicate this 1965 edition of the **YELLOWJACKET** to Mr. Milton Garrison, Superintendent of the Center schools. Students and patrons at Center owe Mr. Garrison a debt of deepest gratitude for his intelligent and devoted leadership. It is that leadership which has proved a factor second to none in building Center from "just another school" into one of the State of Missouri's outstanding school systems.

Following distinguished administrative and teaching careers in other Missouri schools, Mr. and Mrs. Garrison came to Center in 1944 at a time when the District had only two grade schools, one of which did double duty as a junior-senior high school. Over the years, Mr. Garrison has piloted a program that now finds us with five elementary schools, two junior high schools, and a magnificent new high school. It has been a story of growth all along the line, in plant, in curriculum, and in quality instruction.

Everyone at Center will feel a great loss now that retirement brings about the departure of Mr. Garrison. We are happy to know, though, that he expects to remain in our area and will continue to be a part of the community.

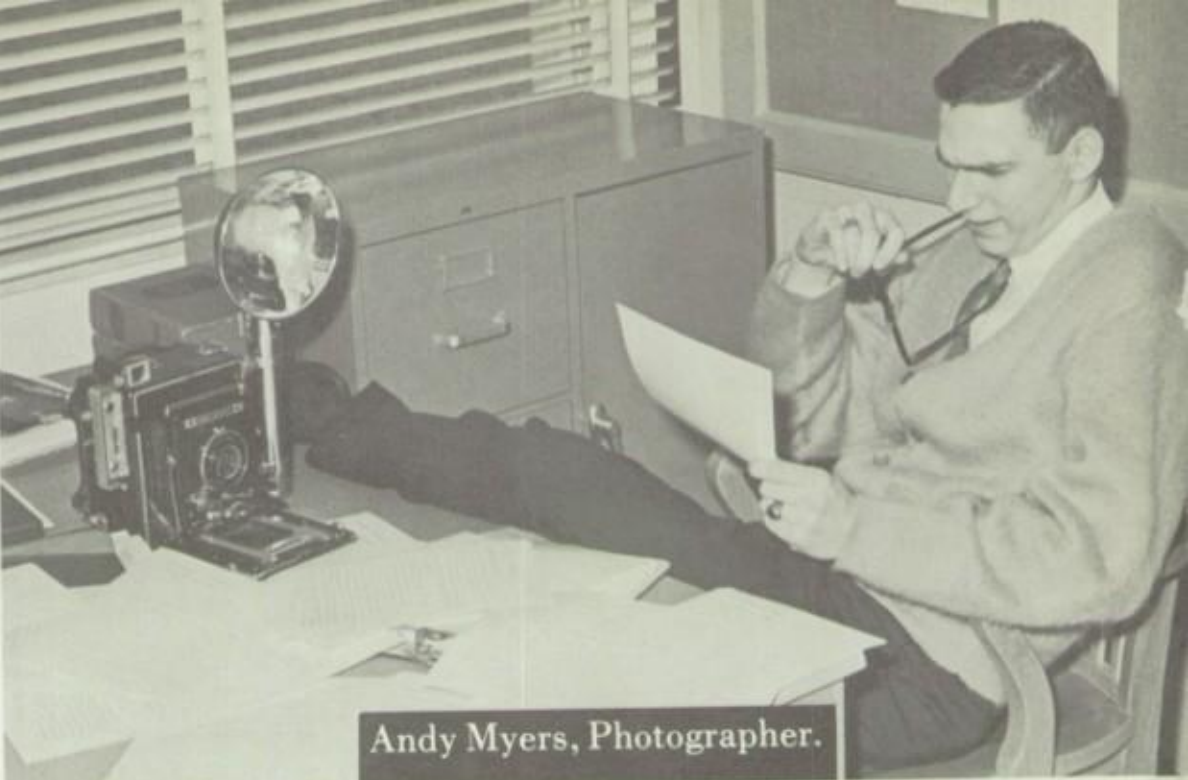

Mrs. Lela Garrison

Tonight's presentation, *Teahouse of the August Moon*, is a delightful comedy based on the famous novel by Vern Snider. In the characters of Sakini, Capt. Fisby, and Colonel Purdy, Mr. Patrick brings us some new faces in the "east meets west" situation. The resulting comedy about the U.S. occupational forces in Okinawa after World War II earned Mr. Patrick, and the play, The Drama Critics Award when it was first presented on Broadway. We hope you enjoy it as much as we enjoyed preparing it.

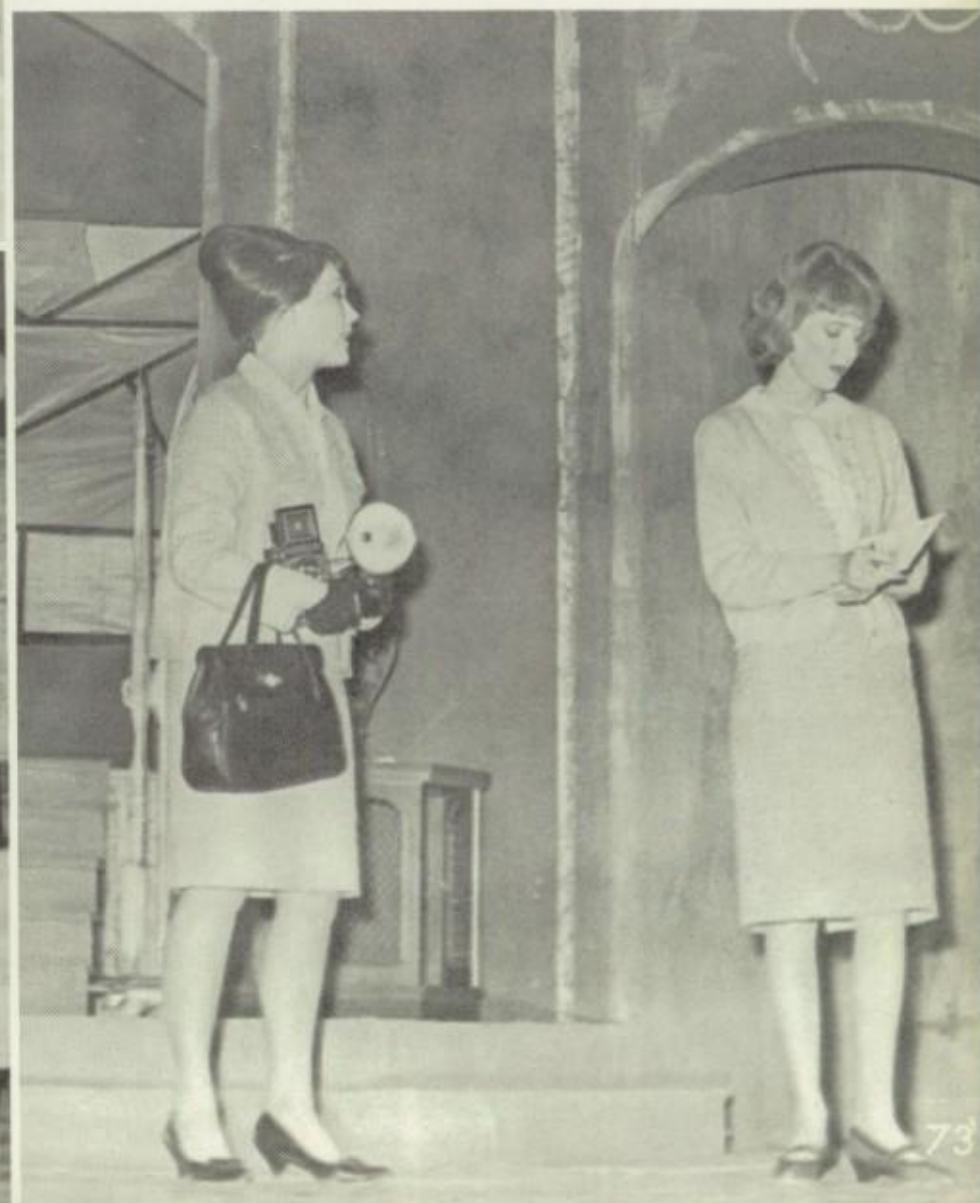

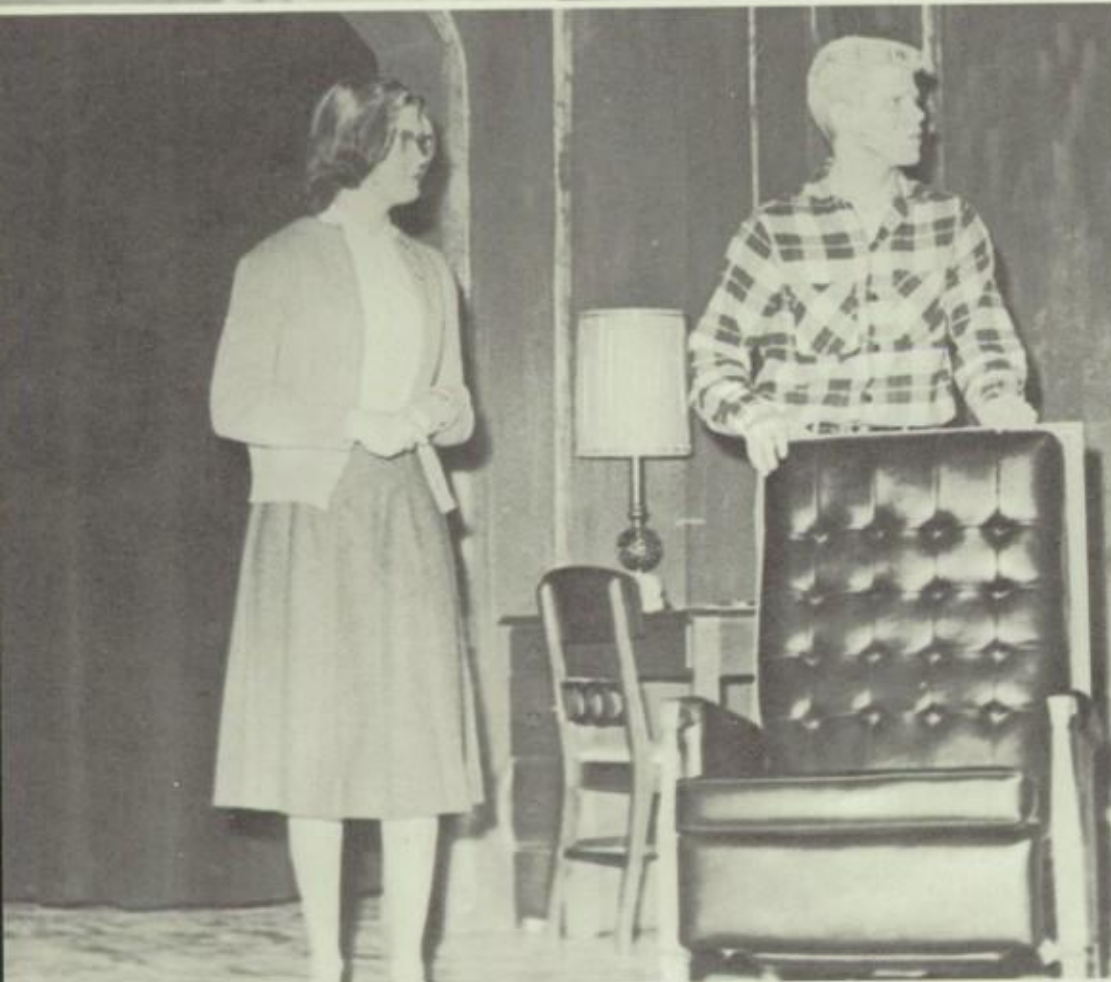

The Unsuspected

The story of *The Unsuspected*, and its unique play-within-a-play motif, was first written as a novel by Charlotte Armstrong and adapted for the stage by Mr. Brome. In the plot we are introduced to the interesting circumstances of greed and murder that lead to the disintegration of a once-happy household. The characters of the story, including a former Shakespearean actor, a fashion model, a recently rescued shipwreck victim, a disguised "husband", and the inevitable minions of the law, proved to be both challenging and interesting for the players.

Latin Club meetings were held during regular class periods. Therefore, there were four Latin sections—Latin I, Latin II—section I and II—and Latin III.

As established in former years, each section adopted a family at Christmas. The adopted families received hams, canned goods, clothes, toys, and tree ornaments.

Through their affiliation with the Association for the Promotion of the Study of Latin (APSL), Latin Club members took a national test in April. Center's Latin students scored well this year, earning honors in each of the following four award groups: summa cum laude (with highest praise), maxima cum laude (with very great praise), magna cum laude (with great praise), and cum laude (with praise). Because the students have scored so well on these tests in previous years, the APSL awarded Center's Latin Department a special trophy.

During Latin Week in April, club members held cafeteria sales, the money being contributed to the AFS fund. Latin III students also published "Vos Romae" ("The Voice of Rome"), a newspaper. The paper reported on events connected with the era of Hannibal and the Second Punic War.

"TO GROW AS A PERSON, TO GROW IN FRIENDSHIP WITH PEOPLE OF OTHER RACES, RELIGION, AND NATIONALITIES AND TO GROW IN THE KNOWLEDGE AND LOVE OF GOD."

These words are familiar to every member of the Y-Teens. Y-Teens was established by the Young Women's Christian Association, and the above inscription represents the goals for each member. The girls strive to be better Christians—in work, school, and leisure time.

It is traditional for the Y-Teens to organize and present all religious assemblies at Center. They also participate in fund-raising campaigns such as U.N.I.C.E.F. and American Field Service "Bells for Peace" at Christmas time. The club also sponsors several service projects of their own.

In their endeavor to realize the ideals of personal and social living, the Y-Teens seek to understand God, to share his love for all people, and to grow in the knowledge love for Him.

Home Economics Club

Homemakers here learn part of the art of cooking.

The Home Economics Club, sponsored by Mrs. Virginia Ray and Mrs. Shirley Foster, was established for those who wish to gain knowledge and experience in the various fields of homemaking. One of the club's goals is to use programs and activities for creating an interest in the home and the members living in it. Guest speakers are frequent features of the club's programs.

An important objective of the club is to afford students the self-satisfaction gained in working for others rather than for themselves. Club members learn concern for persons less fortunate than themselves.

By caroling at Christmas time for aged citizens, and giving gifts to the needy, members not only feel a sense of accomplishment but also a sense of personal satisfaction.

Here members are shown on the set of *Teahouse of the August Moon*, which they helped to create.

Medical Club

The Medical Careers Club, sponsored by the American Academy of General Practitioners, is a result of an endeavor known as Project MORE. The program was originated to instill interest in the medical profession in capable young individuals in order to alleviate the present shortage of doctors. The program exposes select individuals interested in pursuing a career in medicine to the type of life which they can expect to lead in their chosen profession.

The great multitude of activities in which the club participated provided learning experience for the members who will be future doctors and nurses. A trip to the Kansas University Medical Center Research Laboratories, a demonstration of emergency techniques at Baptist Memorial Hospital, interesting lectures from some of the most outstanding specialists in the Greater Kansas City area, and numerous other trips and activities have provided club members with a broad understanding of their future profession.

Jeannette van Doornik, Center's foreign exchange student from Bussum, the Netherlands (Holland), arrived in August, 1964, and will continue her studies until June 16, 1965. Jeannette has remarked on the similarities between her country's customs and ours, and this leads us to believe that Center will have friends in the Netherlands for a long time.

Jeannette is shown at the top right photo with her American family, Mr. and Mrs. Vaughn D. Kahle and their daughter Sally. As seen by the picture at the middle left, Jeannette *looks* as American as her sister Sally. Martha Heizer and Jeannette visited Truman Library and the Liberty Bell in the lower left photo.

In its first year as a part of the football program the sophomore team came up with a successful 4-2 record. Coaches Noel Martin, in his first year at CHS, and Bob Dennis led the team to victories over Ruskin, Truman, Raytown South, and Raytown. The Yellowjackets' only losses came at the hands of Southwest and Rockhurst.

Top scorer of the season for the Sophomore 'Jackets was half-back Chuck Grego and the passing combination of Ken Rimel to Jim Jones clicked for more touchdowns.

The Yellowjacket football team, after a slow start, came on strong to finish second in the tough Suburban Big Seven Conference. With a 7-2-1 record, CHS was ranked as the second best team in the greater Kansas City area, by the *Kansas City Star*.

Highlights of the season were conquests of Grandview, Lee's Summit, North Kansas City, and William Chrisman all of which had defeated Center the previous year.

Head coach Duane Unruh said, "This has been one of the most satisfying seasons of my ten year career, largely because of the splendid attitude of the team members and their willingness to work and sacrifice."

Homecoming Queen
Miss Barbara Gilbertson

The crowning of Miss Barbara Gilbertson as Queen highlighted the Homecoming Activities of 1964. She was escorted by Jim McMurtry. Again this year, the Homecoming-queen candidates were nominated by the senior class and voted on by the entire student body. The attendants were Diane Potter, Becky Arnold, and Donna Anderson. The princesses, chosen by their respective classes, were Janet Hadley, Nancy Kelley, Judy McCullough, and Linda Zumwalt.

The girls were elegantly ushered to their thrones in multi-colored Corvettes driven by Jim Biggs, Mike Bennett, Bill Pryor, Dave Looney, Jack Bliven, Charles Blocker, Bob Treasure, and Bob Masterson.

The Homecoming dance following the game featured music by Tony DePardo. It was a lovely evening and one to be remembered by all.

Basketball Season Summary

This basketball season was one of the best that Center has ever had. Our undefeated team rolled to 25 victories, the conference championship, and three tournament championships. The end of the season saw Center as one of the only four undefeated teams in Missouri. Three times the school scoring record was broken by scores of 90-48, 98-38, and 109-42. The 109 points scored against Liberty was the highest total scored by any team in the Kansas City area.

Center was victorious in all three tournaments they participated in. They opened the season with two victories in the Pem-Day Tournament against Paseo and Southwest. Later during the Christmas holidays, the team played in the Lee's Summit tournament. There they defeated Truman, Ruskin, and S-M North. Then in early February was the Center Tournament. In the opening game they crushed Liberty. After this awesome display of power, the team rolled to victories against Pem-Day and Ruskin.

The Yellowjackets of CHS roared through their own tournament taking the trophy for the second straight year.

Highlights of the tournament were the breaking of the school scoring record with a 109 point effort against Liberty and the fine defensive game played by Mike Rimel and Marlin Roberts in holding down high scoring Don Draper in the finals against Ruskin. As usual Bruce Sloan and Mike O'Shea teamed up in the offensive department, combining for over 40 points every game. Rimel got in his licks offensively too, with a 19 point outburst against the Pem-Day Red Raiders. Bob Masterson and Terry Thompson scored consistently from the outside and played their usual good defensive game.

Two of the 'Jackets, Mike O'Shea and Bruce Sloan, made the all tournament first team. Mike Rimel was picked for the second team.

We, the members of the Yellowjacket staff, are taking this opportunity to express the immense appreciation of the student body for our basketball team. This group of fine young men have given us team and individual performances unexcelled in Center High School history. We extend our special gratitude to Coach Max Hayes, the man who made the terrific season possible.

This record of this team is one rarely achieved: conference champions; regional champions; runners-up for the state championship! We students want the team always to remember: They're from Center High and we couldn't be prouder!

This award is the highest honor conferred upon a high school debater by the National Forensic League. It represents three years of effort in Interscholastic Debate and individual speech events, including Original Oratory, Extemporaneous Speaking, Duet Acting and community service projects. Russell is the first Center High School student to attain this honor.

Varsity members Herb Schmoll, Abe Wischnia, Jerry Levinson, Larry Searcy, Russell Usnick and Terry Goodman join Mr. Brown in displaying a few of their various trophies.

BEHIND

THE

SCENES

An important part of any stage production is the work that goes on behind the scenes—backstage. Under the competent advice of Mr. Rodger Hink, stage scenery is constructed. Mr. Robert Pringle assists art students in giving the scenery life and meaning with tempera paint. The properties crew gives the actors objects to use and clothes to wear. The lighting crew lights the area and gives depth, color and time to the play. The make-up crew gives the characters faces—the wrinkles of age or the rosy cheeks of youth. When interpretations of dialogue by the actors are added, the play is transformed into a mirror of life.

(reserved) me or the page?

Dear Andy,

So for the third year in a row I am having the honor of autographing your yearbook. As the years pass the duty becomes increasingly more difficult. When I was a sophomore, I thought that anything serious would sound mushy and would be laughed at in years to come... I definitely didn't want anyone to ^{laugh} at what my heart felt. In my junior year the signing day came beautifully after one of our larger and more dramatic arguments. Writing then wasn't too difficult because I felt you really had something coming to you.

This year, I'm not too young for mushiness and there have been no recent battles... so I guess you're waiting for some melodramatic love scene, but words that make public appearances bother me.

To say that my highschool days would have been dull, uneventful and quiet without you would have been exaggerating the lethargy. To say that you've taught me a great deal about people and myself would be minimizing the truth. You almost know me too well and it's frightening.

Soon you'll be leaving for Geo. Washington. You'll work hard and play hard and that will be good. You'll make steadfast friendships and that will be good, too. Most important... you'll be a good doctor of strong character from a noble heritage. You have so many ^{from} behind pushing. Just march forward for the best is waiting for you.

With all my love,
Phyllis
